Subject: Extension of approval to **ARYABHATTA INSTITUTE OF ENGINEERING & MANAGEMENT, PANAGARH BAZAR DURGAPUR-713148** for the year 2005-06-reg.

Madam,
 As you are aware, All India Council for Technical Education has been mandated under the AICTE Act, 1987 to maintain the norms and standards in technical education in the country. In exercise of this mandate, the Council inspects, fulfils and monitors the requirements prescribed for imparting technical education by the institutions and stakeholders are satisfied. The Council also undertakes inspections to ensure that the quality of courses is not compromised and that the minimum standards prescribed for the institutions are being maintained.

It has been observed however that notwithstanding the Council's repeated advice to comply with minimum norms and standards, many institutions continue to be non-compliant about taking steps to remedy the deficiencies.

Such institutions suffer from critical deficiencies of faculty in proper cadre ratio, qualification, experience and other requirements. Feedback of students with regard to quality of education imparted by such institutions has evoked grave concerns. The Expert Committees, following holistic appraisal during inspections, have also pointed out severe shortcomings.

The institution has been found to be suffering from several deficiencies, which are listed in Annexure-A for your reference. Shortage of faculty is of gravest concern.

The deficiencies in respect of faculty (including proper cadre ratio & qualification etc.) could have rendered your institution liable for punitive action including being placed in no admission/ reduced intake category. However the Council has decided to take a lenient view and give you yet another last opportunity to rectify the deficiencies particularly with regard to faculty shortage, proper cadre ratio & requisite qualification. Course-wise approved intake in respect of ARYABHATTA INSTITUTE OF ENGINEERING & MANAGEMENT, PANAGARH BAZAR DURGAPUR-713148, your institution for the year 2005-06 is as under:-

COURSE (S)	APPROVED INTAKE 2004-05	APPROVED INTAKE 2005-06
COMPUTER SCI & ENGG	60	60
ELECTRONICS & COMM ENGG	60	60
INFORMATION TECHNOLOGY	60	60
ELECTRICAL ENGG	60	60
	240	240

Note: Additional Intake/new courses/P10 quota not granted on account of deficiencies in respect of running existing courses/intake.

The above approval is subject to your rectification of deficiencies latest by August end, 2005. A compliance report indicating rectification of deficiencies and details of faculty recruited for each course must be received by the Council, with a copy to concerned Regional Officer latest by 31st August, 2005 to entitle your institution for extension of approval for the year 2006-07.

The compliance report must be accompanied with a visiting/processing fee as prescribed by the Council in the form of demand draft in favour of Member Secretary, AICTE payable at New Delhi. In the absence of the processing/visiting fee, the compliance report may not be entertained.

Following the compliance report, the Council will verify the status in respect of rectification of deficiencies through surprise inspection. The institution should therefore be prepared for random inspection without any prior intimation. The final decision shall be dependent on the compliance report and the outcome of surprise inspection.
